WELCOME TO PORTLAND UNDER THE STARS

**Celebrating independent filmmakers, screenwriters,
and the creative community that brings stories to life.**

On behalf of our entire team, welcome to the 2026 Portland Under the Stars Film Festival. We're honored to welcome filmmakers, screenwriters, judges, sponsors, and audiences to McMenamins Mission Theater for our first-ever two-day festival.

This year's program features 45 Official Film Selections, including our first-ever feature presentations, documentary, animation, music video, comedy, arthouse, horror, and narrative showcases.

We're also proud to introduce our inaugural Screenplay Spotlight, highlighting 47 Officially Selected Screenplays with live scene readings, our first Screenwriter Q&A, and powerful conversations with writers behind the stories.

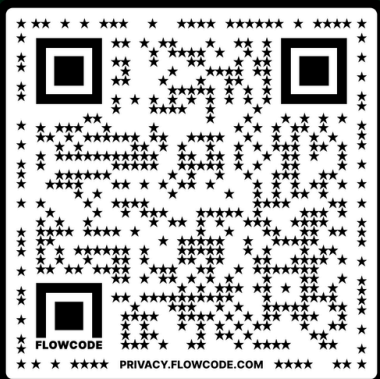

None of this is possible without the incredible dedication of our judges:
**Reagan Sellers, Amanda Sanford, Kelly Love, Kelsey Carbaray,
Katelyn Berry, Michael Alexander, Nick Williams, and Lilliana Campos.**

Thank you for being part of our growing community.

Let's celebrate independent storytelling—together.
